

A steam train ride on the Murtalbahn offers passengers nostalgic railroad romance. Historic steam locomotives and lovingly restored carriages add to the special flair of these trips. Along the green Mur, a truly picture-book landscape passes by, full to the brim with beautiful impressions: from picturesque mountain scenery to forests and floodplains. Musical entertainment on the train as well as an adjoining bar waggon ensure a good atmosphere, snacks and drinks during the journey.

Aboard the steam train of the Murtalbahn, it is said "Next stop: childhood dream". Spend a day steering the locomotive by yourself, operating the controls, valves and the locomotive whistle, well looked after by experienced locomotive operators - and fulfil your dream of driving a locomotive.
